#### 1.3 Public Comments (on matters not on the Agenda)

There were no public comments.

### 2. Discussion Items

#### 2.1 Debrief on Educational Series – Workshop 2

Staff discussed the outcome of the Educational Series – Workshop 2. Committee members would like to review the card transcripts from all three workshops after the final workshop.

#### 2.2 Discuss Content for Workshop 3

The keynote speaker for Workshop 3 will be Mr. Erik Ekdahl, Deputy Director, State Water Resources Control Board, Division of Water Rights.

Conjunctive water use needs to be discussed.

Start with the big picture and wrap it up by focusing on local issues.

Emphasis that we have not made any decisions and we need the support of the community.

Additional topics should include supplemental supply (potable, recycled), storm

water recharge, Aquifer Storage Recovery (ASR), in-leiu recharge, etc.  
Develop a “myth busting” game or session to reject misconceptions about the future plans of the agency.  
What does “Out Water” mean?

2.3 Discuss potential future education opportunities

The committee agreed to table this item for a future meeting and that all members will think about future opportunities for public outreach and education.

3. Future Agenda Items

Election of Committee Chair

Discuss potential future education opportunities

4. Adjournment

The meeting adjourned at 4:20 p.m.
